Welcome to the tekom fair 2016 in Stuttgart!

The tekom fair – together with the tekom annual conference and the tcworld conference, held simultaneously in English – is the world’s largest event for technical communication. The fair takes its visitors to its venue, the ICS (International Congress Center Stuttgart) – Messe Stuttgart.

As an international industry gathering of technical communicators, the tekom fair offers:

• Current trends and developments in services and software
• Tool Presentations by exhibitors
• Decisionmakers in the industry and visitors from all over the world
• Numerous opportunities for professional exchanges and networking

We cordially invite you to this tour of discovery and are looking forward to greeting you personally at the tekom fair 2016!

Highlights at the fair 2016:

• Services
• Consulting
• Editing software
• Translation and localization software
• Visualization software
• Management software
• Technical standards
• Businesses and institutions (publishers, printers, associations)

The Heart of the Market –
The Event Location:
ICS Stuttgart

The tekom fair welcomes its visitors to the Stuttgart region! The venue, the ICS (International Congress Center Stuttgart) at Messe Stuttgart, has become one of the most advanced and sought-after conference centers in Europe since its opening in fall 2007.

ICS offers numerous advantages guaranteeing visitors smooth travel and a pleasant stay:

- Close proximity to Stuttgart International Airport
- Direct highway access (A8)
- An architectural high point built on the modern hall concept

Bring Your Knowledge Up-to-Date

Are you ready to go on a tour of discovery?

- Find out which technical innovations can change the way you work in the future.
- Keep yourself current and get new ideas and inspiration.
- Learn first-hand about the new trends and developments of globally operating manufacturers.

Presentations in the tekom Business Center

What do the latest technological achievements look like? Learn more about technical innovations at the tool presentations!

As exhibitors, we’re happy to introduce the latest products to you in detail.

During the 45-minute individual presentations, you’ll get to know the latest software tools and applications for technical documentation as well as user-focused solutions and product-descriptive and product-defining processes. So, you’ll have the chance to compare the various tools as well.
